### **DAVIES Recognized with Excellence in Service Award**

SANTA BARBARA, CA – DAVIES, one of the ten largest public affairs and public relations agencies in California, was awarded the “Excellence in Service Award” at the recent Eleventh Annual South Coast Business & Technology Awards dinner in Santa Barbara.

“Our focus has always been on quality work, strategic insight, and most of all, unparalleled client service,” said John Davies, founder and chief executive officer of DAVIES. “Our significant growth over the last five years is a reflection of our strong commitment to our clients and our equally strong commitment to community service. We’re honored to receive this award, and we will always give back to our community.”

The Excellence in Service Award recognized DAVIES’ outstanding work helping numerous nonprofit and community-serving organizations meet their goals. Cottage Hospital, Santa Barbara Museum of Natural History, and the Ty Warner Sea Center are a few of the organizations that have benefited from DAVIES expertise and assistance.

The South Coast Business & Technology Awards benefit the Scholarship Foundation of Santa Barbara. The Foundation was founded in 1962 and has awarded more than 2,576 scholarships totaling more than \$5.6 million to deserving students, allowing them to further their educations.
